A fantasy game that is written by the light novel author, Yuuto Tsukuda, and produced by Mages, the creators of the series of fantasy games, including the Soul Sacrifice series. The gameplay is from the viewpoint of an elf-type fantasy character. The protagonist becomes a new elf, an elf lord, and fights together with a group of other elves for the safety of the lands between. * Raid battles are

written "in the past tense", meaning that the action is split in time and you can view the different stages of the battle "in a row". * The human characters are actual humans, and the demons are not demons and monsters, but something else. * Online play will be supported. * For details, please see the official website.

ELDEN RING free app was created as a small project for 24 hours for the birthday of Holórsqué (Holórsqué is a tiny german being that lives in a mountain (mountain) and his favourite color is red. He loves escapist games and monsters. He developed this game when he was still a kid (11 years old) because he was curious what you can do with a free game engine. This game is based on Unity3d and the soundtrack is taken from Ludum Dare 31 (a indie game jam).

He uses this game for his further studies. He created the game at his free time, so no money is involved in this project. This is not commercial supported. It is only shared for fun and the games. You can donate here: .
