A fantasy novel for the RPG! In the world of the deep desert people live in harmony with the nature. The sacred lands are calm and serene; the brownish sky offers pleasure to the weary eye. People who live in these lands are blessed by the gods that dwell in the outer distance. Every day the sun rises and sets, every day its warmth makes the world bloom. Still, everything is not as it seems, and a hidden darkness is growing. In the kingdom of the sun, people are spreading rumors about the lands of the dark. Deep in the desert, which is home to the beasts, sorcerers roam about freely, casting their spells and enchanting people with their power. Their cruel deeds cause a lot of anger and the king of the sun send his knights on a mission to bring peace to the land. The princess of the sun is searching for her sister who she believes has been abducted by the sorcerers. Her people and allies are gathered in a small village to defend themselves from the unnatural acts of the beasts. In the midst of all of this chaos, the princess has to face the brutal nature of the desert and her own destiny to become the new queen of light! Structure: The game will be made using RPG Maker MV. The development cost will be divided into 3 phases. All 3 phases will have milestone releases. Phase 1 - 50% completion Phase 2 - 75% completion Phase 3 - 100% completion The final goal will be released on steam. The initial release will be free, and all subsequent releases will be charged (base model of $4.99 USD). World-travelling champions of justice and good have returned to fight against the evil Lord Sargeras! The heroes are gone, but you have returned from your months-long exploration in search of the missing champions. You must now continue your adventures to find and reclaim the lost champions while also maintaining your Champion of Justice Armor and Champion of Good Armor. You must also fight against those that seek to hinder your efforts at reclaiming these lost champions, such as the Blackheart of Night Baroness. The adventure is not yet over, though, for you will also face Mor'ghut in their advance upon the destroyed Outland and the forces of the Burning Legion upon the wastes of Northrend. You, as a Champion of Justice, will have the help of an ancient and powerful artifact to aid you in your quest. The Duty of Champions will be upon you! Key Features: Catch the adventures of heroes who fought for justice and good. You've finally returned from your months-long exploration of the world in search of the lost champions of justice and good. You have found them though, but as a Champion of Justice, you must now journey to find and reclaim the lost champions, while also maintaining your Champion of Justice Armor and Champion of Good Armor. Battles with evil enemies include the Blackheart of Night Baroness, the Burning Legion, and the Army of Mor'ghut, in addition to the full force of the Legion itself. Travel across the world and explore unique locations and environments such as the majestic city of Silvermoon and the frozen tundra of Northrend! Gathering the lost Champion items and killing the evil will make you a hero of your race. Recruit new champions in the continent of Pandaria. Visit Gnomeregan to recruit Gnome minions as new champions. New cards Cannot be traded or sold Every wizard needs a familiar, right? Familiars are NPCs that you can assign to certain tasks, such as leveling up Champions, clicking the monsters, or using Ultimates. Depending on the assigned task, a Familiar will click a certain number of times per second/minute. Key Features Catch the adventures of heroes who fought for justice and good. What's a new game? We hear you ask. The answer is simple. It's a new game featuring many of the same functionalities that found in Second Coming: The Annakazi Invasion, but with some slight changes to gameplay. What's New? New Features include: 24 players per room 3 Different game modes 2 New Single Player Missions Cooperative New Multiplayer mode called Co-op Mission Achievements New Maps include: 5 new maps 5 more for Single Player Missions Gun Anh Thong - Midway Socrates Gladiators - City Ruins Mustang Hackers - Ruins Beach Bums - Gold Mine Turtle Squads - Rescue New Multiplayer Mode: More Fun - Gather your friends for a weekend of multiplayer mayhem! Host a room with as many friends as you can cram in or join one already in progress and kill new friends. Game modes include Deathmatch and Team Deathmatch. The action is fast, and luckily, so are the respawns. Up to 24 players per room makes for a kill frenzy! Use your rocket launcher to blow open secret passageways or to block off access. There are currently 6 8 different sprawling maps to cater to multi-player mayhem each with their own distinct advantages and tactical requirements. Keep your friends close, and opt for a round of Team Deathmatch. Or truly keep your enemies closer, and trust no one in an all out every-man-woman-and-child-for-themselves game of true Deathmatch where no one is safe from that grenade you just heard getting primed. The new Capture The Flag mode is CTF with a twist. Your team gets points for capturing the flag as well as blowing away the enemy! New Features, Achievements, and Maps are currently in the works, and regular updates are planned leading up to the full release of Second Coming: The Annakazi Invasion! is one of the true icons of Brazilian motor racing. Having raced in the top levels of various national series, as well as having multiple wins, throughout its history. April 24th 2019 marks the 45th Anniversary of the death of Euser, the driver of the number 1 SEAT Toledo that race legend Alfa Romeo Giulia Sprint in the 1966 Indianapolis 500 was killed in, at an Indianapolis Motor Speedway road course accident, racing against Andre Carra's Ford Mustang factory-backed entry, driving a Ford Galaxie Convertible on the blinkers circuit. Ravesta Racing was among the first Portuguese team to enter the Indy 500 since 1963, with the 835 and 836, with rider Euser. And for the 2019 race, Edson Barrichello once again heads a team-comprised mostly of Portuguese's. Within the team, Euser, wins the 1964 and 1966 Indy 500's. While Gregorio López in the number 11 for the KV Racing team with car 9, a No. 24 car piloted by Dutchman Hans Heidinga in 1963, is the only other Chevrolet driver to start in the front row with a pole position win in the Indianapolis 500's. Ravesta Racing has featured many Portuguese drivers, even in the first year that the Portuguese entered the Indy 500, Euser. Whether it was at Cooper-Hewitt, 792HR's, Mulo's, the team from Atiradora Chevy or the KV Racing, all of the Portuguese drivers had winning records in the Indy 500 races throughout the years, along with Euser. Only four times (1963, 1967, 1968 and 1972) did the Portuguese not feature a driver in one of the top six starting positions in the race. 1963: 12th place finished: "Kigaliak (Kigali)" Atiradora Chevy. 1967: Second place finished: "Primelei (Primelei)" 792HR. 1968: First place finished: "Independença (Independença)" Star Sterling. 1972: First place finished: "Garboilizado" Argentorama. Several of those 2003-1995's (renamed from Koninklijke Mercedes) Sampo were very reliable cars that have nearly made it

Sloth Quest is a challenging platformer inspired by the roguelike genre. Are you a sloth by day and adventurer by night? Do you have what it takes to master the jungle and uncover its secrets? Find lost relics, fight tough bosses and rescue the forest's missing wildlife When a mysterious device crashes to the ground in a remote jungle, it contains clues about ancient civilizations lost in the deep jungle. You'll have to explore the depths to find the remaining fragments, battle ancient beasts, rescue friend creatures from the wild and explore a strange new world. Master the jungle's navigation and climbing puzzles Navigate the jungles from a tree top, using the sloth as a platform. Travel around the jungle and explore its secrets with an improved climbing mechanic, unlocked by collecting scattered maps. Collect and grow a wildlife menagerie of friends Search for lost artifacts, assist animals and animals from other parts of the world to rescue them from the wild. New life forms become your loyal and sometimes unwelcome companions. Take on tough boss battles Fight against predators such as

savage snakes, giant bats and savage mammals. There are a variety of boss characters with their own abilities, weaknesses and inventory. They have been genetically enhanced by the device that crashed in the jungle. Battle your way to the final level Accessible via the main quest hub, this thrilling finale to the game will test your climbing, timing and reflexes. Submerge You can dive or swim under water for short periods of time. You must manually press the corresponding button as your sloth arm moves up and down. You cannot enter or exit the underwater level from the top of the screen. Beautiful hand-drawn artwork All backgrounds, item designs and jungle environments were hand-drawn by the game's artist. All enemies and bosses were also hand-drawn. You'll see a variety of art from other regions of the world in this game. This style of unique art will give the game a unique and naturalistic look. Undead critters The game's sloth, lizard and chimpanzee characters can be "reanimated" and continue their struggle against the alpha predators in the jungle. Over time you'll find that most wildlife in the game's world will be revived, but at a cost. Where to download Download the game directly on itch.io, Amazon, Google Play, and Steam.
