An Ever-Larger World in Order to Keep the Story Endless

8men the ultimate warriors of mankind?

## **8men action RPG apk 1.0.0**

A massive, free, online action RPG in the style of the classic Japanese RPG games.

The action takes place in a world populated by mythological creatures and marvellous waterworlds. The dark forces of the underworld call those who exist outside the natural order into a struggle of phantasmagoric dimensions, while the ruling class is assembling an absolutely lawless world government. Together with the Acolytes of the Cardinal Diamond, 8men is trying to save mankind.

8men is a member of the Connected Teams of 8. Together with his friend Gabi, he responds to the challenge of the Thugs of the Underworld. The first quest task: Save Hell and bring the world to a halt!

8men (brand name of the publisher) is available exclusively through the Google Play Store.

***8men is only in development for Android and is not in any way affiliated with SEGA. The game is available on the Google Play Store for download, but the story and gameplay content is still in development. Currently there are no fixed release dates***

## What's new:

**THE NEW FANTASY ACTION RPG.** Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • **A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • **Create your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • **An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

The biggest map that has ever been made is in the the game. It has and incredibly expansive world, and although the main story is linear, other than the fact that there's some time constraints to do certain things, the world is in no way linear. I got this game for my birthday, and I've been playing it since then. If you've never heard about it, go check it out. Its been worth the 700 dollars, even though the game wasn't what I was expecting. It was light on the role playing, but that's ok. The main point of the game is to go through it and get every single piece of equipment. Obviously do a lot of the optional side quests, even though what you need for the main story is worth a slight discount. It's called The Elder Scrolls: Oblivion, and the guys at Bethesda understood that the best thing to do was to make the most map out of your iphone. Go to this forum, and have a listen to all the music that this amazing game has came with, Awesome stuff! Grandma had an issue... she needs a
