The Elden Ring is an action role-playing game developed by Cygames in collaboration with our partners at Square Enix. The game is set in the "Lands Between," a gigantic world with three distinct worlds that are connected through the use of portals. Players can freely travel to other worlds or the game's hub world and freely move back and forth between these worlds in order to meet up with NPCs, communicate with the other characters, and complete quests. The main hero of the game is Lord Tarn, who just entered the Lands Between and sets out to gain freedom from a life of servitude to the D'shin. The Lord of the D'shin Lord Tarn is a young elven warrior who has lost his memories and seeks to erase them from his mind with the help of a friend. Rise While trying to clear his past, Tarn meets a mysterious boy and a dragon, and learns his true identity and the truth behind his disappearance. Be a Hero While on a journey to the end of time, Tarn is attacked by an unknown force and is left with only one chance to save humanity. The Beast in the Mountain Vault 38 is a legendary item that contains the power to destroy all worlds. The Eye of Despair The only way to avoid the destruction of our world is to eliminate the Eye of Despair. A Spectacular Adventure In the order of time, Tarn will meet another elf warrior, a scholar, a lonely gnome, and a dragon, and the next journey will begin. Online Experience In addition to the story, the game also offers an online feature where you can visit others who are playing and communicate with them. Please stay tuned for more news on the Elden Ring Game!Some people say that when life gives you lemons, make lemonade, or something like that. Well, for those who are finding that life is a sticky lemon, I have an idea for you: make lemon vodka. If you don't think it will work, I have a lemon embedded in my throat to prove otherwise. I was in the bathroom at the gym and started thinking about this. There are so many people out there who are stuck in weird jobs that they wouldn't trade for the world, and they need to find a way to make lemon vodka. If a

What's new in Elden Ring:

Tue, 10 Oct 2018 06:56:15 +0900 last, Kingdom of the Crystal Caverns is now available.

At last, Kingdom of the Crystal Caverns is now available. Have you ever wanted to make a home for adventurers? The time has come! In Kingdom of the Crystal Caverns, a huge and unknown dungeon exists, but it is sealed. Until the adventurers take up the mission, this will only be a dungeon for them to explore. Therefore, the adventurers and so many other things to explore the place. It has a different point of view. ☐ Explore the huge dungeon alone, by yourself!☐ In order to explore the huge unknown dungeon of the Crystal Caverns, the adventurers must go alone. It will not be until then that they will be able to reach the area, and it is also the first time each adventurer receives a mission.

Explore the vast area of the Crystal Caverns, either with a party or by yourself! You can have a refreshing solo experience.

✧ In contrast to the usual party where the members move by interlocking animations, you can move through the dungeon by simply moving along walls.

The dungeon layout is completely different from what you've experienced in the past. When you play solo, there is a mission and the specific order in which you move around. When you receive a mission, you need to decide the order in which you exit the dungeon. The time of departure and the movement destination are decided through two clear gate calculations.

After the completion of the order, the story, or different situations, you will receive gifts or change the appearance of your character.

Explore the vast countryside and explore the mystery of the Crystal Caverns.✧ It will be available on PlayStation®4 from 2nd June 2018.
