See the tech specs With the attention over the upcoming dive frames dominating the news recently, now is the time where DiveVida officially unveils its DiveVida AIR1. As we have learnt over the last few days in case you haven't already, this new dive frame series is being developed by the French brand

Castelli. Some of you may remember the teaser video in which we see a heavily water proof helmet with a transparent visor. After a few weeks of speculations we were given a solid first look of the new DiveVida AIR1 helmet. Some of you may know the DiveVida as the model that introduced Castelli's lightweight class concept. DiveVida have promised in the past that we could be using their lightest production dive
