Aug 26, 2019 · Download FsPassengers. Screenshots of FsPassengers for Prepar3d version 2 or 3 and previous versions. A user will be able to play over 13 airports with detailed 3D terrain. This is not real flight simulators, but is an awesome screensaver that I use to power down my office computer. It has realistic weather effects, night lighting, and so much more. FSPassengers has scenery planes and airports and some aircraft to fly. The planes fly around based on the wind direction. The p3d scenery is very good, and I love how realistic the weather is. The only thing that is not working is the mode. It has passanger pick up and drop off, each add-on has different screenshots. I could not download the add-ons. I will keep trying. It . Flight Sim Games. Any of the programs or games written from Housemarque, the developers of the greatest flight sim franchise ever released, can only be considered as empty words if they are not accompanied by a crack.
