A door is not a door unless it opens and closes. Günter Böhnhardt People, who long for a unified world order are like the frogs who want to be boiled in hot water. A free, independent, self-determining people, a nation, is like a man. Men together outnumber the frogs by thousands of millions. The Germans are not only able to do it, but also want to and desire to. No one could even comprehend all the things the Germans have accomplished in their history. No one would ever be able to do it, if they didn't want to. This goes for everything. Only Germans can remain German. You cannot remain German just as you cannot remain a white, a Hindu, a Jew or a Moslem. Only real Germans understand and can comprehend this. An economic order, which does not correspond to the deepest interests of the nation, a system of belief, which violates the most basic values of a people and a social order which does not correspond to the characteristics of a nation, is no order at all. An economic order does not provide meaning, a belief system does not offer coherence and does not reflect real living, a national order offers no unity, and does not correspond to the true essence of a nation. The Germans want nothing to do with all that. No one would understand it. We have no need for it and no desire for it. The people have understood, and have recognized, that the way out of our situation, the way forward, is the way back to our people. It is the German way, the deep, ever-present, inf
