
Unarc.dll Returned An Error Code: -14

Visual C++ multipack web address: ... \Microsoft Visual C++(x86)\msvc\10.0\vcruntime\tools\... \moc Everything is set up nicely. But after installation, none of the installed applications work. I have installed: 1. C++ Runtimes 2008 and .NET Framework 3.5 SP1 2. Visual Studio 2008 3. Visual C++ Redistributable 2005-2009 and .NET Framework 3.5. After running . I get the message "unable to run dll on local computer" I think that I can get more from him to solve all my problems. Can anyone help me?

Unarc.dll Returned An Error Code: -14
