## Sims4cloningmachinemod

April 27, 2019 - The cloning machine from GTW has become purchasable, exempt from debug mode and from the scientist's invention constructor. It can now be used in racing, combat, and research mode. The game has a new transport available from the scientist's home. It's a cloning machine. Now it can be used in racing, combat and research mode. Cloning machine. Cloning machine) - one of the new types of transport available from the home of scientists. It has two modifications: "For racing" - gives you the opportunity to use the auto in race mode. "For Combat" - gives you an opportunity to use the car in combat mode.
