
NEW! Download Windows 7 Photo Gallery

January 15, 2016 - If you've upgraded to Windows 7 or are just looking for a new photo management tool, Windows Live Photo Gallery is what you need. definitely worth a look. This free app can automatically compress and archive photos and videos from your computer to Google Drive. It also has a sharing feature that allows you to share files with your friends and family. There are other benefits too, including the ability to "edit the album" so you can add photos, remove ones you don't like, and add tags. The app can also send photos to Facebook or Twitter to share with friends.
